## MRS. OSBORNE NAMED TO SISTER KENNY COUNCIL

Mrs. Edward Osborne, 1208 Maple avenue, was recently elected to the Sister Kenny Community Relations Council for a term of two years. She will work with Torrance Council members Mrs. Hugh Bowman, 712 Madrid avenue and Mrs. Royal C. Penner, 1216 Teri avenue.

As a volunteer member, Mrs. Osborne will work to acquaint residents of Torrance of the function of the famous Sister Kenny Polio Hospital in El Monte and the two out-patient clinics—one on the hospital grounds and one in metropolitan Los Angeles at 3808 Ingraham street. The Council is a year-round volunteer group giving their services at the hospital to aid patients and furthering the public education program of the Sister Elizabeth Kenny Foundation.

### To Inform Citizens

By having members in each community of the Greater Los Angeles area, the Community Relations Council hopes to inform citizens of the help they can obtain from the Sister Kenny Foundation if struck by polio.

Supported largely by public contributions, the facilities of the hospital and its two out-patient clinics are available to anyone regardless of race, religion, residence, color, age or financial status. The hospital is the only one in the West which specializes entirely in the treatment of poliomyelitis and uses the Kenny method of care exclusively. Any patient who requests Kenny treatment after the 7-day contagion period will be admitted to the Sister Kenny Polio Hospital if a bed is available.
